## TECHNOLOGIES

JavaScript, React, Redux, React-Native, Socket.io, Node.js, Express, Sequelize, PostgreSQL, Jasmine, CSS

## PROJECTS

**Money Mentor** | React-Native, Redux, D3, Node.js, Express, Postgres

- Developed a personalized financial mobile app that encourages better spending habits and budget tracking.
- Built UI and data visualizations including remaining spendable, actual vs. budget, and spending by categories
- Integrated third-party API to retrieve bank and transactional data
- Implemented push notifications using Expo and node-schedule

**ShareLocation** | React-Native, Socket.io, Express

- Designed and developed a mobile app for real time geolocation tracking and sharing for connected users

**Express-O** | React, Redux, Node.js, Express, Sequelize, Postgres

- Designed and developed an e-commerce platform where users run, create, and manage a store
- Implemented product views and shopping cart feature where users and/or visitors can add, remove, update items to the cart, and see order subtotal

## EDUCATION

**Grace Hopper Program at Fullstack Academy, Software Engineering Immersive** Apr 2018 - Jul 2018

- 13-week immersive coding bootcamp for full stack development ( > 1000 hours) & < 8% acceptance rate

**George Mason University** | Fairfax, VA Sep 2007 - Dec 2011

- B.S. Information Systems & Operations Management, Cum Laude
- B.S. Accounting, Cum Laude

## WORK EXPERIENCE

**Ernst & Young LLP - Manager, IT Risk Advisory** | New York, NY Nov 2015 - Nov 2017

- Led 5+ teams of junior staff through SOX 404 integrated audits focusing on IT control activities for in-scope applications, supporting infrastructure, and reported to project and client executives in delivering weekly deliverables

**PricewaterhouseCoopers LLP - Sr. Associate, Risk Assurance** | New York, NY Jul 2012 - Nov 2015

- Served as engagement senior, leading a team of 3+ junior staff, in executing the audit, and effectively communicated weekly status, and presented potential issues

## ACHIEVEMENTS

**People's Choice and Developer's Choice Awards, Fullstack Academy Demo Day** Jul 2018

**Certified Public Accountant** | State of New York Jul 2015
